

# New Student Checklist for TNHA

Here's a checklist for students at True North Homeschool Academy to prepare for live online classes. This checklist covers various aspects to ensure students are ready for their online learning experience:

True North Homeschool Academy - Student Live Online Classes Checklist

## 1. Technical Requirements:

- - Reliable internet connection
- - Updated web browser (Chrome, Firefox, Safari, etc.)
- - Necessary software/applications (Zoom)
- - Functional webcam and microphone

## 2. Study Environment Setup:

- - Quiet, dedicated study space free from distractions
- - Comfortable chair and desk/table
- - Sufficient lighting for video visibility
- - Organized study materials (notebooks, pens, pencils, etc.)

## 3. Timely Preparedness:

- - Check the schedule for upcoming classes

- - Set reminders for class timings
- - Arrive a few minutes early to test the technology and ensure everything is working properly

#### 4. Communication and Interaction:

- - Active email for communication with teachers and classmates
- - Familiarity with the platform used for classes (Zoom)
- - Understanding of online classroom etiquette and participation guidelines

#### 5. Course Material Readiness:

- - Required textbooks, workbooks, or digital materials
- - Access to the online learning platform or class portal
- - Completed assignments or preparations as per the syllabus

#### 6. Backup Plan:

- - Alternative device (if available) in case of technical issues with the primary one
- - Contact information for technical support in case of emergencies

#### 7. Engaged Learning Mindset:

- - Positive attitude and willingness to participate
- - Active listening during class discussions
- - Preparedness to ask questions and seek clarification

#### 8. Post-Class Reflection and Action:

- - Review notes taken during the class
- - Follow up on any assignments or tasks mentioned during the session
- - Plan for upcoming study or revision as needed
